“ *Our sympathies to the family and friends of Bill.
I am a member of a veterinary practice that Bill reached out to while he was at the UW School of Veterinary Medicine.
Bill was always a great colleague, professional, insightful and full of energy. He will be missed.

“ *So terribly saddened to hear of Bill's passing.*

He was a remarkable man who gave me so much help on my Honours thesis on the Elephant Seals. Before, during and after my onsite study. He was a pleasure to work with, full of ideas and gave me so much invaluable insight and advice. He welcomed my Mum and I to the Elephant Seal family and we are truly honoured to have known him.

“ A poem in memory of a special brother...

*Today is full of memories
of a brother laid to rest
and every one of them
is filled with happiness*

*For you were someone special
such an inspiration to know
and there was so much pain
when it was time to let you go*

*But you are now in peace
in God's special place above
and I will always think of you
with abiding love*

“ One of Bill's colleagues said in an earlier tribute, " I don't remember him doing anything half-way"...that's my brother Bill. I am seven and a half years older and I can say that he was the same way as a small boy, a teenager and a college student. He was the most determined person I ever knew. But he was also caring and supportive. One example that stands out in my mind: he surprised me on my 80th birthday by flying from San Luis Obispo to McKinney, Texas to be by my side in the celebration. Another example was more recently when he found out that one of our sons had a health problem, he and Pat spent Thanksgiving with us to support our son and the rest of the family. He is a brother to love, cherish and remember forever.

“ A wonderful colleague, mentor and friend, I will miss his tremendous energy and boundless enthusiasm. I don't ever remember him doing anything half-way.

“ I had the good fortune to join Bill for a number of rides here in the San Luis Obispo area. He was a regular on the Monday ,Wednesday Friday rides. I think the happiest I ever saw him though was when we took our dogs to Avila Beach. My black lab was supposed to teach Bill's Golden Retriever, Whitney, to swim in the waves. All four of us had a great time. I'm sure Whitney will miss Bill and so will I.

“ I am a UW-SVM alumni and former student of Dr. Goodger. He was a wonderful professor and mentor. I will always remember his love for his Charmany cows, especially Red. My deepest sympathies to his family and close friends. Will there be a memorial fund at SVM in his name or where can I send a memorial? Sincerely, Kristin Kultgen Dominguez, DVM (kdominguezdvm@gmail.com)

“ There simply are not enough words to express the deep feelings of loss for our good friend and exemplary human being, Dr. Bill Goodger. Bill was, and always will be, an original, as a founder of The Midwest Masters Cycling Team, as a cyclist of unquestioned talent and ability, in his defining physical stature and charming persona of wit and humor, and as a highly respected influence in the field of veterinary medicine. Our deepest sympathies to Pat, Anne, Tim and all others who cherished Bill as family and friend. Bill will always remain in our hearts as the gracious, loving, and sunlit person that brought joy into all our lives. He will be deeply missed, but never forgotten.

“ Road trips with Bill were a treat. My favorite story concerns Bill, Pat, and Chicago's Superdawg.

“ great team mate, loyal friend & best 2-person time trial partner.....ever.
big easy grin, super intelligent, incredible dry wit & a truly great, loyal friend.
words just don't do justice in trying to describe Bill Goodger.
I will miss him but have so many happy memories to remember when ever I think of him.
he always said that no matter how good you are, "you gotta do the race!"
& he did it so well.
