JM

“ *Bill was the perfect example of a person who was totally sold out to Jesus. The world around us will know us by our love, and Bill loved everyone royally. In addition to his demonstration of unconditional love, he served all as he had strength, almost always available. He is example is excellent to those who think we are too old and worn out to serve. God is please to have Bill with his Lois and many others in heaven. Praise The Lord!*
