“ *Wilm and your mother were very dear friends of my father, Leonard Cecil, and mother, Dorothy Holloway as well as my uncle, Bill, and aunt Eudine - Deenie West when they were in the flight training program in Laramie, WY in WWII (early 1940's). Mom, Dorothy, who is living with us and we send our love and heartfelt condolences. We also give our Lord great thanks for sharing them. The world is a better place because of your parents. May they rest in peace with all the faithful departed. AMEN*
